

Wilson County 2023 Delinquent Real Estate Taxes

ADVERTISEMENT OF TAX LIENS ON REAL ESTATE FOR 2023

Under and by virtue of the authority vested in me by Section 105-369 of the North Carolina General Statutes and pursuant to an order of the Board of Commissioners of Wilson County, I am hereby advertising tax liens for the year 2023 upon the real estate described herein. The amount advertised will be increased by interest and costs, and the omission of interest and costs from the amount advertised will not constitute a waiver of the taxing unit's claim for those items. The real estate that is subject to the lien and the name of the owner of the property as of the date the property tax became delinquent January 5, 2024, and the principal amount of taxes due are set out herein. When a parcel was subdivided after January 1, 2023, and ownership of one or more of the resulting parcels was transferred, the amount of the tax lien on each parcel, as shown in this advertisement, is the amount of the lien on the original parcel as it existed on January 1, 2023, and is subject to adjustment when the taxes are paid or the lien is foreclosed. If the taxes remain unpaid, the taxing unit will foreclose the lien and the real property subject to the liens will be sold to satisfy the taxing unit's claim for taxes. This advertising list includes 2023 real property accounts unpaid as of February 23, 2024.

This 15th day of March 2024

GENERAL INFORMATION REGARDING THE ADVERTISEMENT OF TAX LIENS

North Carolina law requires local tax collectors to annually advertise current year unpaid taxes levied on real estate in the name of the owners as of the delinquent date of January 5, 2024. The advertisement of tax liens is a very serious matter because it marks the initiation of the foreclosure process. Real estate taxes for 2023 became past due on January 5, 2024, and interest began to accrue on that date. Pro-ration agreements between buyers and sellers are just that - an agreement between the buyer and the seller. As far as the Tax Collector is concerned, both parties have a responsibility to see that property taxes are paid after the transfer is completed. However, the new owner should be concerned, as this advertisement is the first step toward eventual foreclosure of the real estate. This advertising list reflects payments received in the Tax Collector's Office through February 23, 2024. Any payment received after that date is charged an advertising fee in addition to applicable interest. The Tax Collector's Office is already utilizing enforced collection measures such as wage garnishment, attachment of bank deposits, and Sheriff's levy against personal property.

Wilson County has completed the 2024 countywide revaluation of all real property. Your revaluation notice will indicate the new property appraisal, which will reflect the market value as of January 1, 2024. We ask for all owners to review the notice and property assessment for accuracy. If you have any questions, please contact the Wilson County Tax Office at 252-399-2900, Opt. 4 or taxoffice@wilsoncountync.gov.

Resources:

Wilson County offers several resources for you to help you review your property information.

- 1) Wilson County makes all real property information available to you using our online web portal. To review your real property records, please visit us online at: ustaxdata.com/nc/wilson/Search.cfm
- 2) Wilson County provides an easy-to-use review tool called Comper for Citizen. This tool will allow you to quickly compare your property assessment with other comparable sales in your market area. Find it online at: nc-wilson-citizen.comper.info/template.aspx

Public Meetings:

There will be two public meetings to provide you with a review of the 2024 revaluation and offer a Question & Answer session with our staff:

- 1) March 12, 2024, 6:00 -7:30 PM at Fike High School Auditorium, 500 Harrison Dr, Wilson
- 2) March 19, 2024, 6:00-7:30 PM at Hunt High School Auditorium, 4559 Lamm Rd, Wilson

Appeal Process:

All property owners have the right to appeal the assessed value of their property. There are two processes at the local level:

- 1) Informal appeal process: Taxpayers will have the opportunity to work directly with Wilson County appraisers and revaluation staff to review your property records for accuracy. Requests for informal review must be submitted between March 1-April 4, 11:59 PM
- 2) Formal appeal process: Instead of working directly with our staff, the taxpayer will appeal directly to the Board of Equalization and Review (BOER). All formal appeals will be decided by BOER at a hearing. At this hearing, the Board will consider both information submitted by the appellant and by Wilson County appraisal staff. Requests for formal review must be submitted between April 5-May 16, 11:59 PM.

Additional information regarding the appeal process, including the appeal forms, can be found online at the Tax Administration website.

Property Tax Relief:

North Carolina offers three types of property tax relief for permanent residents under N.C.G.S 105-277:

- 1) Elderly/Disabled Homestead exclusion,
- 2) Elderly/Disabled Circuit Breaker deferment
- 3) Disabled Veteran/Surviving Spouse exclusion.

To receive more information about these programs, please contact the Wilson County Tax Office at 252-399-2900, Opt. 4 or taxoffice@wilsoncountync.gov. All applications for property tax relief must be submitted by June 1, 2024.

Wilson County 2023 Delinquent Real Estate Taxes

ADVERTISEMENT OF TAX LIENS ON REAL ESTATE FOR 2023

Under and by virtue of the authority vested in me by Section 105-369 of the North Carolina General Statutes and pursuant to an order of the Board of Commissioners of Wilson County, I am hereby advertising tax liens for the year 2023 upon the real estate described herein. The amount advertised will be increased by interest and costs, and the omission of interest and costs from the amount advertised will not constitute a waiver of the taxing unit's claim for those items. The real estate that is subject to the lien and the name of the owner of the property as of the date the property tax became delinquent January 5, 2024, and the principal amount of taxes due are set out herein. When a parcel was subdivided after January 1, 2023, and ownership of one or more of the resulting parcels was transferred, the amount of the tax lien on each parcel, as shown in this advertisement, is the amount of the lien on the original parcel as it existed on January 1, 2023, and is subject to adjustment when the taxes are paid or the lien is foreclosed. If the taxes remain unpaid, the taxing unit will foreclose the lien and the real property subject to the liens will be sold to satisfy the taxing unit's claim for taxes. This advertising list includes 2023 real property accounts unpaid as of February 23, 2024.

This 15th day of March 2024
