  - 4. Wilson County vital facility information is updated on a regular basis.

**B. Assumptions**

- 1. Identification of vital facilities will make it possible to predict the consequences of disaster, and to expedite the response of necessary resources from outside the area of impact.
- 2. Knowledge of vital facilities will reduce the dependence on "unwritten" and "assumed" information.
- 3. Knowledge of vital facilities will expedite damage assessment and loss estimation.
- 4. The identification of vital facilities allows for the prioritization of post-disaster areas and restoration.

**III. CONCEPT OF OPERATIONS**

- A. Information pertaining to vital facilities and resources will be maintained in the Wilson County Emergency Management Agency and will be accessible to the Wilson County Emergency Operations Center.
- B. Continuous update of the vital facilities inventory will be maintained.
- C. Vital facilities may serve as the basis for establishing mutual aid and statements of understanding with other governmental and non-governmental agencies.
- D. Knowledge of vital facilities allows for the implementation of planned mitigation approaches/projects in an attempt to reduce vulnerabilities.
